### Statement of volunteer value:

At Health Initiative for Men (HIM), volunteers play an essential role in bringing our mission and vision to life. We value volunteers for their roles as ambassadors, mentors, board directors, leaders, supporters, educators, advocates, and as members of the community of gay men and other men who have sex with men. At HIM, we value the unique gifts as well as the personal needs and diversity of our volunteers and embrace the benefits of volunteering for purposeful personal growth and social connection

### Purpose of the position:

The volunteer receptionist works in HIM’s health center setting and receives clinic clients and responds to inquiries on the phone, via the internet, and face to face. The volunteer receptionist is responsible for providing information regarding the clinic to the general public and clients; providing administrative support to the nurses, change advocates, and professional counselors. The volunteer receptionist works as part of a team as one component of HIM’s integrated services for gay men, under the direct supervision of the Clinic Coordinator/manager. This opportunity will provide volunteers with training, hands on experience in community health promotion, and on-going appreciation activities and events.
