At HIM, we value the unique gifts as well as the personal needs and diversity of our volunteers and embrace the benefits of volunteering for purposeful personal growth and social connection.

Purpose of the position:

Rainbow soup Social is a new partnership between HIM, Qmunity and Gordon Neighborhood house. Using materials donated by the Vancouver food bank, the Rainbow Soup Group makes a delicious soup each Thursday night and the soup is then served to the community the following day. One of the group's goals is to engage the community with the food they receive and to provide healthy recipes the consumers can try at home. Another goal is to provide a safe and fun venue for gay guys to get together and connect with each other whilst helping out the community.
