

# Combine tools to build our sexual health

Today, many of us have options for tools that empower us to lead fulfilling sex lives that meet our needs. Tools like: medications for treatment and prevention of HIV (PrEP and PEP), physical barriers (condoms, gloves, and dental dams), vaccines, and more. Combining these tools, we can meet our sexual needs while taking care of our sexual health.

MORE THAN SEX	Anal sex	Frontal sex	Toys & prosthetics	Oral	Rimming
 Condoms & Lube	✓	✓	✓		
 PrEP	✓	✓	✓		
 PEP	✓ <i>If condoms or PrEP aren't used</i>	✓ <i>If condoms or PrEP aren't used</i>	✓ <i>If condoms or PrEP aren't used</i>		
 Birth Control		✓			
 Dental Dams				✓	✓
 HEP A&B Vaccines	✓	✓	✓	✓	✓
 HPV Vaccines	✓	✓	✓	✓	✓
