Peers Victoria is an innovative, multi-service grassroots agency that has been working with, and for, Victoria sex workers since 1995 on Ləkʷəŋən territory. Through direct services delivery and partnerships, Peers provides an evolving array of outreach, harm reduction, and support services. We maintain a welcoming and accessible service environment that promotes empowerment of current and former sex workers.

HIM is a non-profit society that aims to strengthen health and well-being in communities of self-identified GBQ (gay, bi and queer) men and gender diverse people in BC. Our vision is to build healthier lives together. We value a comprehensive approach to healthy living; we value our community's ability to make informed decisions; we value a non-judgmental, sex-positive and strengths-based philosophy; we value scientific research; we value capacity-building and collaboration; we value the role of our communities.

Together with Peers Victoria, the Health Initiative for Men (HIM), a non-profit society whose main office is located on the unceded territories of the xʷməθkʷəy̓əm (Musqueam), Skwxwú7mesh (Squamish), and səliilwətaʔt (Tsleil-Waututh) Nations (Vancouver, BC), seeks a qualified candidate to fill the subcontractor position of **Program Coordinator, Community Engagement - Vancouver Island**. HIM would like to recognize that this role will operate primarily on the unceded territories of the Songhees and Esqumalt Nations, with access via the peninsula through the unceded territories of the Saanich and WSANEC Nations. The incumbent will be a friendly, grounded and relatable person who brings their lived experience forward and is passionate about belonging and inclusion.

This role will be highly collaborative and reflect the ongoing partnership between Peers Victoria Resource Society and Health Initiative for Men. This partnership centres around the HUSTLE at PEERS Drop-In space but extends beyond and represents our organizations mutual commitments to supporting members of our communities with lived experience in Sex Work who face health inequities, stigma, and barriers to equitable supports.

The **Program Coordinator, Community Engagement - Vancouver Island** identifies as a peer and is a person who is currently or was formerly involved in sex work of any kind (*Please see the "additional considerations" section below for important information about Peer Positions*). Our Sex Work Programs are peer-based. We take the lead from the founders of our programs, our community members and from our community-based researcher partners who have all agreed that centering peer leadership is the best way to make connections with communities that have been historically marginalized. The **Program Coordinator** will lead HIM's Sex Work Programs on Vancouver Island and will use their lived experience to create programming at our Drop-In Program (HUSTLE at PEERS) and coordinate delivery of our capacity building curriculum designed to reduce stigma about sex work amongst healthcare providers. This position requires a flexible, communicative person who is socially conscious and has experience in working within the overlapping worlds of sex work, sexual health, substance use and mental health.

We are looking for a dynamic, and collaborative person who can work in a fast-paced interdisciplinary environment. The **Program Coordinator, Community Engagement – Vancouver Island** is a temporary contract role, but will be able to participate as an engaged member of the teams at both Health Initiative for Men and PEERS Victoria and will have the opportunity to contribute to the achievements of both organization's strategic plans and will have a voice in decision making alongside their colleagues.

The salary is expected to be between **\$17,000-\$24,000 per year (10 hours per week, based on \$33 per hour plus one night outreach shift with the Peers Outreach Van at \$30 per hour)**, and the successful applicant will report to the Program Manager, Community Engagement at HiM, as well as to the Executive Director at Peers Victoria. This role will also be supported by the Program Manager and/or Executive Director at Peers Victoria to reflect the collaborative nature of the HUSTLE at PEERS program. This contract will expire at the end of the 2024-2025 Fiscal Year, March 31st, 2025. There may be a possibility of contract renewal.
